Équipe de Design de Bürotime

“ Développé pour répondre aux scénarios de travail en constante évolution, Point dispose d'une riche gamme de produits. Son langage de conception est simple et flexible ; ses alternatives s'adaptent à de nombreux lieux tels que les espaces de travail, de repos, d'attente, de réunion et de formation. Avec ses options de revêtement de dossier et d'assise, Point répond aux besoins de confort et d'efficacité de tous les espaces.”
