THEO

Ece Yalım - Oğuz Yalım

“Theo’yu temel geometrik şekiller ve çizgileri bir arada kullanarak “uyum ve düzen” kavramlarını ele alan De Stijl sanat akımından etkilenerek yarattık. Basit formların muhteşem ahengiyle entelektüel derinliği somutlaştırdık ve uyum içindeki bir ütopyayı yansıttık.”

Dolap, etajer, vitrin gibi tamamlayıcılarla farklılaşabilen Theo yönetici masası; ahşabın ağırlığını yönetici odalarına yansıtırken, yalın formlar üzerine kurgulanmış detayları ve eklektik yapısıyla bulunduğu ortama şıklık katıyor. Masaya entegre kesonun üst çekmecesinde bulunan elektronik kartlı kilit sistemi, kullanıcının özel eşyalarını güvenle saklıyor.

Üzeri cam kaplı masa yanına entegre bölümde, kullanıcısının koleksiyoner ruhunu besleyen eşyaları sergilemesine olanak sunarken, kendini ifade ettiği ve çalışma ortamıyla bağ kurduğu özel alanlar yaratıyor.
