

# ASSIST

## Başlıklı Çalışma Koltukları

Assist, nefes alabilen file kumaş yapısı, bel ve kol desteğiyle çalışma sürelerinde vücut

sunan performans çalışma kolugudur.

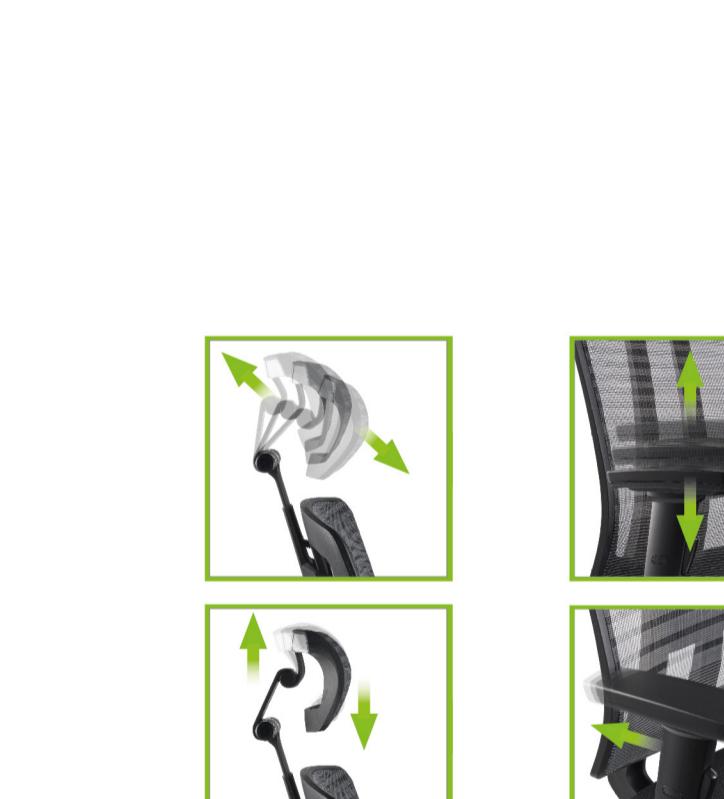

A close-up, low-angle shot of the upper backrest and seat height adjustment mechanism of a black office chair. The backrest is upholstered in a dark, textured fabric. A vertical black plastic support arm extends from the top of the backrest, featuring a small rectangular label with illegible text. Below this, a horizontal black plastic plate covers the seat height adjustment mechanism, which includes a circular dial and two small adjustment levers. The base of the chair is visible at the bottom, showing the five-spoke black plastic footrest and the floor.

A close-up photograph of a black mesh fabric, likely a screen or a bag. A bright green arrow points upwards from the bottom center towards the top edge of the frame.

A close-up photograph showing the ergonomic mesh backrest and headrest of the office chair. The backrest features a diamond-mesh pattern, and a green arrow points down to a small circular label with the text 'ORTHO'.
