technical document

The Bold office chair offers high performance with ergonomic features in intense work environments. Its depth-adjustable spacious seat cushion and adjustable armrests provide a comfortable seating experience. The Easy Synchron mechanism supports the spine by locking the backrest at 23° and the forward tilt at 10° in 5 points. The adjustable neck support enhances personal comfort. The breathable mesh backrest and adjustable lumbar support provide ideal support for prolonged use. Bold becomes the ideal office chair for busy workdays.
