NOTE Workstation

Arif Akıllılar

Utkan Kızıltuğ

Tasarım dilinin ön planda olduğu güçlü bir iskelet yapısına sahip olan Note Workstation, yüksek estetik niteliği ile ön plana çıkar. Hem butik ofis projeleri, hem de geniş ürün yelpazesi olmasından ötürü toplantı ve yönetici gruplarının da konumlandırıldığı projelerde mimarların en prestijli tasarımlarında rahatlıkla yerini bulacaktır. Ara bölücü panellerinin detaylardaki özgünlüğü; RedDot, IF, German Design ve Design Turkey ödüllü ayak yapısı ile benzersiz bir uyum sağlamaktadır.

Operasyonel çalışmalarda özgün nitelik arayanlar için biçilmiş kaftan olmaya aday Note Workstation farklı kombinasyon seçenekleri ile ofislerin vazgeçilmezlerinden biri olacaktır.

Yalın tasarım dilini güçlü duruşuyla harmanlayan Note Workstation ailesi, ortak çalışma alanlarına estetik bir görünüm ve prestij katıyor. Ödüllü ayak tasarımı, çalışanları ergonomik olarak desteklerken kablo detay çözümleri ise düzenli alanlar yaratıyor. İkili masadan, altılı masaya kadar farklı kombinasyon seçenekleri bulunan ürün ailesi, baş tarafa konumlandırılan masa tablası sayesinde çalışma ortamındaki etkileşim ve iletişimi güçlendirerek verimliliği üst seviyeye çıkartıyor. Geniş renk ve kumaş alternatifine sahip ara paneller ofislere renk katarken kişisel çalışma alanları oluşturarak akustiği koruyor.
